

Hey Y'all,

Happy New Year! Isn't that what it seems to finally be now that we're moving to the other side of this Pandemic? Like many of you, I've had to re-invent myself, so take a look at a project I flirted with for awhile that includes my husband. It was a show we did in senior living facilities all over the country. This picture was taken on location during the Christmas Season.

And, this is a shot of a video we did at one of the theaters on our university's campus.

Shout out to my fans who are really friends! I love y'all because you've continued to be so supportive during these challenging times, and I really appreciate everyone of you. You guys are the ones who help me to remember that God is good all the time! Therefore I say "I'm Real,

Royal and Righteous". All of you are and He is the reason why I'm so excited to announce the re-recording of one of my original songs titled "He Is The One". This time I'll be singing it in two languages. I'm also collaborating with Mark Raymond to bring this dream to fruition. Here's a cover sneak peek.

I've also been Grand Marshalling. Yes, you read it correctly. I'm Grand Marshal for the world famous Algiers Brass Band.

Here's the proof:
